RECENT PROJECTS:

Rotarians are just ordinary people doing extraordinary things by working together.

Each year on President's Day weekend we send delegates to RYLA (Rotary Youth Leadership Awards) Camp in Oakhurst.

About 200 high school juniors from all over the district are selected to attend. It's an intensive leadership

experience organized and led by Rotarians, where students develop skills as leaders while having fun and making connections. Club members have enjoyed serving as camp counselors.

In case you missed it . . .

Last week King jumped at the chance to lead us in the 4-Way-Test! Chuck's guest was Omar Mansour and Debbie's guest was Stacy Pierson, both interested in learning about Rotary. Chuck gave us and encouraging pep talk about membership growth, and Linda Silvera was promoted to blue badge status by her sponsor

Paula. Linda moved up from the bay area last June and is "attempting retirement" after careers in nursing and life insurance. Welcome!

Jenny Baxter gave us a brief summary about her life and career, which was very fun and interesting! Sit with her at a meeting to find out more about her teaching, being profiled in Sunset Magazine, her line of food products, her TV show...just to name a few things she's done!

President Bert shared his Rotary origin story...did you know he received a 4-year full college scholarship from the Hartford Rotary Club? He was thus inspired to join Rotary once he retired, and he and Jane are paying it forward by offering to match up to \$5,000 for all donations made to our Scholarship Endowment Fund by the end of his term in June. Let's get to work bringing in those donations so we can achieve our \$100,000 endowment goal!

Things About Rotary

Hello, My Name is... *From the earliest days of Rotary, members have referred to each other on a first-name basis. Since personal acquaintanceship and friendship are cornerstones of Rotary, it was natural that many clubs adopted the practice of setting aside formal titles among members. Individuals who normally would be addressed as Doctor, Professor, or Mister, are regularly called Joe, Bill, or Jerry. The Rotary name badge fosters the first-name custom. In Asia, the practice is to assign each new Rotarian a humorous nickname which relates to a personal characteristic or their business. A member nicknamed "Oxygen" is the manufacturer of chemical gas products. "Trees" is the nickname for the Rotarian in the lumber business; "Paper" is the office supply retailer. Others might carry nicknames like "Muscles," "Foghorn" or "Smiles" as commentaries on their physical features. But whether a Rotarian is addressed by a given first name or a nickname, the spirit of personal friendship is the initial step which opens doors to all other opportunities for service.*

What we do!

Angels-Murphys Rotary Club holds great fundraisers so that we can do good in the community! We are proud that this small club can do so much in a year, such as:

- Award \$5000 in scholarships to graduating seniors
- Give winter coats, backpacks & school supplies to local children and illustrated dictionaries to every third grader in our district
- Purchase, pack and deliver holiday meals to 200 families
- Send juniors to leadership camp & honor top students of all ages
- Replace wells and raise emergency funds for wildfire victims
- Construct park improvements, benches and a community garden
- Foster the spirit of community service in Bret Harte's Interact Club
- Support the Senior Center's food pantry & local Meals-on-Wheels
- Collect, repair and distribute wheelchairs for the disabled poor
- Pack & ship 2000 pairs of shoes for repair by Soles4Souls
- Contribute to Rotary International's Six Areas of Focus (incl. polio)
