 Our Shredding and E-Waste Recycling Day was huge! Thanks to all those

who came out to help. 105 households showed up to shred 347 boxes of documents (saving 86 trees!) and recycle a full truckload of electronics ... 271 items including dozens of TVs. We raised \$1,112 for our John Weaver Scholarship Fund!

## In case you missed it . . .

Leanne was our cheerful greeter and Jerry recited a perfect 4-Way Test before Prez Steve discussed “lame duck presidents” and rejoiced that he has “3 to go”. John and Leanne were presented with their new member certificates and Trisha received her official badge with her name spelled correctly! She also gave Happy Bucks for her granddaughter who won the Saddle Queen competition at the Fair!

Murphys Fire Chief Brian Wilkes grew up in Arnold where his father was fire chief for 23 years. He came to Murphys 5 years ago after working in the bay area. The agency is volunteer and functions on a very small budget, mostly from the local tax base, fundraisers and grants. They are working to pass a county fire ordinance. A bond measure will soon be needed to keep services in place.

*More from Saturday:* There were several contenders for the most obsolete award including an iMac, a Trinitron TV, a Sony Watchman, and this beauty. It may have Intel inside, but looks like it spent a while outside!

## What we do!
