CURRENT PROJECT:

Rotarians are just ordinary people doing extraordinary things by working together.

We continue with our tradition of giving beautifully illustrated children's dictionaries to all 3rd grade students in our area. This includes almost 150 kids at Mark Twain, Michelson and Copperopolis elementary schools. We still see the joy it brings to look up words and share with friends using a real book!

In case you missed it . . .

Last week we were pleased to have Delinda Dontje back, and also to see Russ Thomas and his wife Gloria. Happy Bucks were plentiful... Barb was happy about a train ride to Arizona; Bert's going to Puerto Vallarta; Donna was happy that her friend Delinda is joining the club; Tammy was proud to announce Tatiana and Chad's new drone photography business; and King was the happiest of all for not having to stay over at the hospital! Chuck passed around the draft Member Directory and requested you check your information and inform him ASAP of any corrections.

Past President of A-M Rotary and the first woman member of the Club, Maureen Elliott, returned to tell us about the history of the people, streets and building of Murphys.

She recently published her extensive research in book form, the proceeds of which are going to support the Murphys Old Timers Museum. We learned about three devastating fires in the late 1800s, and that there were 10 buildings on the lots between the Hotel and the IOOF Building. Many old stone buildings were knocked down in the 1940s and the stones used in walls and foundations. For more fascinating tidbits, you must

pick up a copy at the Museum!

Liz M. had the winning ticket, but the marble remains elusive... super pot = \$430.
