RECENT PROJECT:

Rotarians are just ordinary people doing extraordinary things by working together.

And they said the Shrimp Feed couldn't be done...! We adapted well to the current challenges by having a drive-thru dinner and an online auction in place of our big event in the park. The numbers aren't all

in, but we exceeded our goals and raised over \$11k just from the auction! Thanks for donating, bidding, getting the word out, and slinging hot shrimp on a 103 degree day!

Thanks to our wine sponsor, Indian Rock, we surprised our guests with a chilled bottle for each car. Our team came through with grace under pressure. Please continue to thank our generous sponsors and donors.

*Super Pot continues to grow!
 Somewhere around \$370???*

IN CASE YOU MISSED IT . . .

In the past month, we've been busy raising funds for our year's projects while also adapting to hybrid meetings. President Tammy is off and running with some new ideas for projects and ways to make our meetings even more fun. There will be a new

Recognition Wheel coming soon, with a chance to win a secret prize. We've also heard some very interesting "Guess the Rotarian" stories so far, as we learn more about each other's lives outside of Rotary. Chuck has been delivering our new member directory to everyone, and we've had a few interested guests.

Projects coming up will include Businesses of the Year for Angels

Camp and Murphys, Soles4Souls Shoe Drive, Coats for Kids and a new event, Santa for Seniors. Stay tuned for emails about our Finemaster Auction online, so everyone can bid!

ROTARY BELLS *In 1922, the Rotary Club of London presented a bell to the Rotary Club of New York City; the bell was a prize over a long-running attendance contest between the two clubs. In December 1923, a decorative bell was advertised in The Rotarian for use by clubs. Called the Rotary Bell No. 29, this bell was marketed for use at Rotary meetings, as "A unique table ornament, a sight prettier and infinitely more agreeable than the harsh gavel." As on ships, the bell represents order, discipline and the time to guide us through the weekly hour and a half meetings. The bell informs us with its sound the beginning of the Rotary meeting, other club rituals and the closure of the meeting.*

What we do!

Angels-Murphys Rotary Club holds great fundraisers so that we can do good in the community! As a small club we do so much every year, and plan to:

- Award \$5000 in scholarships to graduating seniors
- Give winter coats, backpacks & school supplies to local children & illustrated dictionaries to every third grader
- Provide groceries to financially struggling families
- Send juniors to leadership camp & honor top students
- Raise emergency funds for disaster victims
- Contribute to ongoing improvements in our parks
- Foster the spirit of service in Bret Harte's Interact Club
- Support the Senior Center's food pantry & Meals-on-Wheels
- Hold a free community shredding & electronics recycling event
- Collect and repair wheelchairs for the disabled
- Pack & ship 2000 pairs of shoes for repair by Soles4Souls
- Contribute to Rotary International's Seven Areas of Focus, including the worldwide eradication of polio
